About The Garlic News

The *Garlic News* is a non-profit membership newsletter. Started in 2004, it carries on from where the *Garlic Newsletter* and *The Voice of Garlic* left off. It is distributed to members.

The *Garlic News* uses a newspaper column layout and larger print size for easier reading. The wider margins and 8 1/2 x 11-size paper enable growers to save copies in a standard 3-hole ring binder. **Back issues are available both in single copy and 1-year bound sets.**
