ABOUT THE GARLIC NEWS

The *Garlic News* is a non-profit membership newsletter produced in print copy. Started in 2004, it carries on from where its predecessors, the *Garlic Newsletter* and *The Voice of Garlic* left off. It is distributed by mail to members. The *Garlic News* uses a newspaper column layout and larger print size for easier reading. The wider margins and 8 ½ x 11-size paper enable growers to save copies in a standard 3-hole binder. Back issues are available both in single copy and 1-year sets.

EDITORIAL POLICY

The purpose of the *Garlic News* is to enable farmers and gardeners to grow better garlic and enjoy it more. Articles and contributions are welcome and will be published subject to space and suitability. Letters and articles may be edited for length and content. The Editor reserves the right to refuse advertising, subscriptions or material submitted for publication where, in his sole discretion, such inclusion would detract from the worth of the publication. Articles should be no longer than 400 words. B&W pictures preferred. Contents copyright © 2012-13 Paul Pospisil. No part of this publication may be reproduced or duplicated without written permission.

Deadline for Spring 2013 Issue is March 4.
