Cost of membership: Canada: \$20.00 per year of 4 issues. Single copy price \$5.00. Outside Canada: we ask our US friends to add \$4.00 per year and our UK friends to add \$8.00 per year to cover higher postal costs (does not apply to the E-Garlic News). Payment by cheque, cash or E-transfer. Advertising: see rates in Directory pages.

About The Garlic News

The *Garlic News* is a membership newsletter distributed at cost to members. It provides a networking forum for the sharing of garlic information. Started in 2004, it carries on from where the *Garlic Newsletter* and *The Voice of Garlic* left off.

Back issues are available both in single copy and attractive 1-year bound sets.

For lists of articles in previous issues, go to:
www.garlicnews.ca/ or,
www.rasacreekfarm.com

The E-Garlic News

The *E-Garlic News* is available by Email. Download size is approx. 5 MB. Inquire.

Editorial Policy

The purpose of the Garlic News is to enable farmers and gardeners to grow better garlic and enjoy it more. Articles and contributions are welcome and will be published subject to space and suitability. Letters and articles may be edited for length and content. Advertising, subscriptions, or material submitted for publication that detracts from the integrity of the News may be refused by Editor. Articles should be not over 400 words or one page of text and pictures. Written permission for use is required for reproduction, duplication or electronic transmission of any article. Contents copyright © 2017 Paul Pospisil.

Deadline winter 2017-18 Issue: Dec 01.

In This Issue

HCGGA Standards: Festival sale of fresh garlic	1
The Haliburton County Growers have taken the bold step of setting a standard of quality for garlic sold at their festival to stem the tide of diseases being spread by unsuitable garlic sold for planting.	
Notes from our garlic patch	3
Depressing news from growers across Canada. Softneck harvest indicator, some helpful notes and thanks to the many Garlic News supporters	
2017 Garlic Awards Winners	4
Dorothy Oogarah of Centreville, ON swept the field, achieving a 1st in all competition classes to earn the title of "Champion Garlic Grower 2017".	
Ramblings	5
Welcome back to Al Picketts and his discussion of storing garlic as well as keeping garlic planting stock in the freezer, written in his humorous and entertaining style.	
Ail Quebec News	6
Jean Lafontaine tells about his own fungal disease plus losses due to flooding on farms in Quebec.	
Garlic Connections: HCGGA page	7
Deb Barnhart provides a pictorial glimpse of the 10th annual HCGGA Garlic Fest.	
Garlic Connections: HCGGA page 2	8
Angel Taylor reports on the planned next steps to be carried out by the 'citizen scientists' in collaboration with government to finding better methods of determining the effectiveness of cover crops on nematodes.	
2017 Winterkill & Harvest Reports	9
Two statistical reports from Ontario and letters from growers on the prairies who had serious losses.	
The Garlic Directory	10-11
Garlic ads, listings and useful garlic contacts. Experienced growers know the advantage of letting buyers know about their garlic all year.	
Garlic Health Tips & Recipes	12
Cold season is bringing cold sores and heads stuffed up with colds. Fear not for garlic comes to the rescue. Try some old-fashioned garlic remedies and soup.	
Book Review: The Complete Book of Garlic	13
Lorraine Bannister shares her take on Ted Meredith's great book.	
When it comes to Garlic	13
Karen Poce of Chesley, ON finds the humorous side of a bad crop year and finds that Bigger is Not Better when it comes to garlic.	
Garlic Adventures at Highland Organics	14
Terry Graydon describes building a water collection system at Highland Organics Farm for her garlic, and, has shared her recipe for Garlic Scape Pesto.	
Letters on late harvest	14
The late harvest frustrated growers in Eastern Ontario.	
The Garlic Directory: Garlic Products at Wholesale from Eureka	15
Al Picketts has garlic for fall planting, black garlic and garlic products at wholesale. New for fall 2017 are huge rounds for growing super-size Turbans and Elephant.	
We Get Calls and Letters	16-19
Diseases and crop failures are the dominant theme of grower letters this crop year. Drought in NB and AB, new fungal disease, leek moth damage to garlic bulbs, white grub damage to garlic are just some of the topics.	
2017 Garlic crop in Eastern Ontario	20
2017 was not a good news story with reports of winterkill, crop losses due to the increase in diseases and the challenges posed by too much or too little rain, depending on where your farm is located in Canada.	
Soil Biology Workshop	20
The editor was fortunate to attend a Soil Biology Workshop run by the Compost Council of Canada. Garlic growers are encouraged to learn more about this emerging science of soil biology.
