ABOUT THE GARLIC NEWS

The *Garlic News* is a new publication. It
carries on from where the *Garlic Newsletter*
and *The Voice of Garlic* left off. It is
distributed by subscription.

The *Garlic News* uses a newspaper column
layout and larger print size for easier reading.
The wider margins and 8 ½ x 11-size paper are
to enable growers to save copies in a standard
3-hole binder. Back issues are available both in
single copy and bound sets.

EDITORIAL POLICY

The purpose of *The Garlic News* is to enable
farmers and gardeners to grow better garlic and
enjoy it more. Articles and contributions are
welcome and will be published subject to space
and suitability. Letters and articles may be
edited for length and content. The Editor
reserves the right to refuse advertising,
subscriptions or material submitted for
publication where, in his sole discretion, such
inclusion would detract from the worth of the
publication. Articles should be no longer than
400 words. Pictures may be either colour or
B&W.
